WHAT'S A VOLKSMARCH?

A volksmarch is a non-competitive walk. You may choose your time to start within the start/finish "window" and walk at your own pace. You can walk alone, with family or friends, or with folks you meet along the way. You can walk for free or pay a small amount to earn credits that provide a tangible record of your participation. If you want to combine fun, fitness, and fellowship, come join us! For more information, check out the American Volkssport Association's national website at www.ava.org.
