#### Minutes

# AVA Board of Directors (BOD) Electronic Board Meeting (EBM) February 16, 2021

1. Meeting was called to order at 10:02 a.m. EST by President David Bonewitz.

2. All were present, except for the Southwest RD, who was represented by DRD Susan Medlin (also Chair, National Programs Committee). Representing the National Office (NO) were Henry Rosales, Executive Director (ED) and CEO; Erin Grosso, Finance Manager; and Samanta Sanchez, Communications and Publicity Specialist. Also participating were the At-large Member; DRDs from Atlantic, North Central, Northeast, Northwest, and Rocky Mountain Regions; Committee Chairs Tom Jackson (Nominating) and Tim Miner (Programs and Special Programs – Club Hosted); Natasha Wampach, Vice President, Network for Element 3 Health, Inc. (E3H); and guest Andy Thomas. A quorum was declared.

- 3. Agenda. Approved (Attachment 1)
- 4. Minutes of the January 19, 2021, Board meeting were approved.
- 5. Officer Reports.

a. President (Attachment 2).

b. Vice President. Participated in all Board and Executive Committee meetings. Participated in new business model development meetings. Worked with the Big Give, providing the award of a walking stick to be presented to Southwest Region. Assisted with packaging AVA's vote for the IVV Presidium.

c. Secretary (Attachment 3)

d. Treasurer. Touched base with the audit committee and determined there was no money in the budget for a 2020 audit. Would like to discuss a 2020 audit at the next meeting.

5. CEO Report (Henry Rosales) See Attachment 4. Additional discussion:

a. Element 3 Health (E3H). Henry introduced Natasha Wampach from E3H. So far 51 clubs have signed up to participate, and there have been 52 referrals (updated numbers). E3H has a partnership with several health plans in the country to provide services to people over 65 by connecting them with avenues for activity in their areas. The partnership program with AVA kicked off in January, and E3H is working around closures and cancellations to provide walk information to participants. They have provided several webinars, which are available for review. Susan Medlin's (SW DRD) E3H representative said there were over 800,000 E3H participants in Texas, and Susan asked if there was a way for E3H and AVA to reach out to those people? Natasha responded that direct outreach to health plan members is not possible for privacy reasons. Instead, E3H offerings are included on health plan websites and in the plans' own direct marketing campaigns. John McClellan (SE RD) urged AVA to advertise heavily, especially when reaching a milestone, such as 100 or 500 referrals.

b. Henry presented the club deactivation report (Attachment 5), noting six clubs are pending deactivation. Nancy Wittenberg (VP) moved to accept the report of new and deactivated clubs. Bob Buzolich (MA RD) seconded. Discussion: none Voice vote: Unanimous yes **Motion carried** 

c. March 15 General Membership Meeting to vote on amended AVA Bylaws and the Certificate of Formation (section I of CEO report). Henry emphasized that ballots must be postmarked by March 24 and received at AVA by March 31. Butch Spaulding (NC RD) asked if mail-in ballots could be sent before the March 15 meeting. President David Bonewitz replied that the March 15 meeting is for final discussion, but ballots could be sent in early. Mike Green (AT RD) asked how an attendee would be identified as a voting club representative. Tim Miner answered that attendees will need to register in advance and provide an e-mail address. Prior to the meeting, he will ask each person to list what club they are representing or if they are a Board member. He anticipates there will be a flurry of last-minute registrations. Bob Buzolich (MA RD) asked if there will be proxies at this meeting? David Bonewitz responded that there would not be proxies, so clubs would need a representative on the call or would need to mail in a ballot. Clubs need to coordinate on their votes. Bob Buzolich requested that there be explicit guidance on club representation. Nancy Wittenberg asked what takes precedence, a mailed ballot or an online ballot? David reiterated that clubs should coordinate such that there is only one vote, but if multiple votes come in, the NO will try to resolve with the club president. Also, members can attend even if they aren't the delegate.

d. Because AVA has been awarded the 2023 Olympiad, Henry requested approval to extend the lease on the new Alamo Street location to December 2023 (would expire December 2022). Chris Mellon (NE RD) moved to extend the lease to 2023 as presented by the CEO. Carl Cordes (PA RD) seconded. Discussion: none Voice vote: Unanimous yes **Motion carried** 

e. Under the Publicity and Marketing Committee section, Susan Medlin asked if AVA had marketing material that could be used by local clubs for National Walking Week (NWW). Henry recommended seeing the information at <u>https://www.walkvirginia.org/national-walking-week</u> and signing onto the webinar this evening on the topic.

f. In discussion on the upcoming Convention, John McClellan (SE RD) noted that AVA members have discussed alternatives to an in-person meeting on Facebook. Mike Green (AT RD) asked if we delayed the Convention, would we still have a virtual meeting near Convention time to elect officers? President David Bonewitz replied that we are required by Bylaws to have a general membership meeting, so yes. John McClellan (SE RD), who has volunteered to facilitate the State Association meeting at Convention, said his intention was to discuss State Association roles in growing the organization. Bob Buzolich (MA RD) stated it would be useful for the March EBM to have financial information available on impact(s) of changing venues

and/or delaying Convention. Mike Green recommended the Convention Committee consider delaying to the fall and suggest potential weekends (not football weekends).

g. Business Model Development.

(1) Henry showed a video prepared by Samanta describing a plan for an AVA phone app and suggested AVA could partner with other organizations, such as E3H, to create one. Acknowledging that there are costs associated, Henry asked the Board to approve an exploratory effort to identify an existing walk application for AVA events or, if feasible, develop a new one by 2023.

(2) Discussion. David Bonewitz opened discussion by noting that the Olympiad in France used an app rather than paper maps and said AVA should consider an app for 2023. Mike Green, speaking as IT Committee Chair, stated there is currently no data to support an app, adding that out of 1800 YREs with physical start boxes, fewer than 200 have start addresses listed separately at my.ava.org, and only about a third have put the walks on the Online Start Box (OSB). Ben McDonald (Member At-large) commented that business organizations have apps and appeal to people by including deals they can't get elsewhere, so we have to appeal to people in their language. People in their 40s and below use apps for almost everything and don't go to websites. Nancy Wittenburg (Vice President) agreed that data is incomplete, but suggested AVA work at the region level to fix the data problem. She also feels the best approach is to develop an app in pieces to demonstrate the concept. John McClellan (SE RD) conceded there would be a start-up burden, but he noted 25% of clubs have partnered with E3H, so they are not afraid of change. Tom Baltes (NW RD) pointed out we can already search on the website, and that effort could be adapted before we start something totally new. The OSB walks are likely closest to being ready for an app.

(3) Ben McDonald made a motion that the Board approve a study initiative with the goal of putting app development on the Board's radar formally.

Second: Tom Baltes (NW RD)

David restated the motion: Approve the CEO to begin the process to identify an existing walk application or develop a new walk application for AVA events by 2023.

Discussion on motion:

Jeff Giddings (AT DRD) asked who owns the data. Currently clubs, not AVA, own the routes. David answered that was an issue that would need to be resolved. Ben McDonald noted that McDonald's developed an app when they didn't need any more advertising to stay relevant. Mike Green pointed out McDonald's has many software developers on the payroll, and developing an app is a major undertaking, so AVA would need to find people to do the work. Bob Buzolich (MA RD) recommended Henry start an ad hoc operational committee to handle the study. Voice vote: Unanimous yes

## **Motion carried**

h. Finance (section II of CEO report).

(1) Henry presented the 2020 year-end financial statements (Attachments 6 and 7) See discussion in the CEO report for details.

(2) An audit will be discussed in the March EBM. In the interim, the Treasurer and Finance Committee will review and discuss with the CEO.

(3) Paycheck Protection Program: AVA's loan application was successful and received a second stimulus payment of \$50,700, which can help offset loss of revenue should we not have Convention or have a loss. Butch Spaulding (NC RD) asked if AVA still planned to sublet part of the Alamo Street location. Henry answered that the space was tighter than expected, but he plans to lease space on First Fridays rather than as a permanent sublease and will rent the outside lot. Chris Mellen (NE RD) recommended that the Executive Committee (minus the CEO) discuss salary increase for the CEO. David Bonewitz replied that the EC had already discussed the topic.

#### 6. Committee Reports.

a. Board Committees

(1) Nominating (Tom Jackson, Chair). See report at Attachment 8. David Bonewitz noted that if the new bylaws are approved, they do not authorize nominations from the floor. Tom Baltes said Convention usually has a workshop on meet the candidates. If there are no nominations from the floor, we need to consider what that workshop should look like.

(2) Finance (Chase Davis, Chair). No report

(3) Governance (David Bonewitz, Chair). David reminded attendees about the up-or-down vote coming up on governance documents. Once the bylaws are approved, there is nothing to keep amendments to the bylaws from being introduced. However, typos and word changes that do not change meaning should be corrected without the need for an amendment. That said, if someone wants to reintroduce nominations from the floor, they can.

(4) Awards and Recognition (Carl Cordes, Chair). See report at Attachment 9. Carl urged RDs to forward award recipients since last Convention by March 1. Recipients do not need to have received their awards by then.

(5) Executive Committee (David Bonewitz, Chair). No report.

b. Operational Committees. See overview report at Attachment 10. Additional points:

(1) Convention Committee. Chair Jerry Wilson was not available. Refer to section I of the CEO report.

(2) National Programs (Susan Medlin, Chair) See report at Attachment 11.

(3) Programs and Special Programs (Tim Miner, Chair). See report at Attachment 12. Additional discussion:

(a) The Committee is pressing ahead with National Walking Week (NWW), which will be the topic of a February 16 webinar and will highlight new logos designed by Austin Peay interns. The goal of NWW is to have clubs highlight their walks, so the webinar will feature useful social media posts, draft declarations, draft press releases, and other materials, which are also available at <u>www.walkvirginia.org</u>.

(b) The committee is working on 2022 special programs. The Veterans Program that started this year is going well with 140 signed up. Veterans organizations are showing interest, though COVID restrictions still keep them from opening up.

(4) IT Report (Mike Green, Chair). See report at Attachment 13. Tom Baltes (NW RD) asked when replacement directions are uploaded to the OSB, are the old directions still available until the new ones are approved? Yes.

(5) Club Development and Support (John McClellan, Chair). Green on the spreadsheet is E3H. The goal was to get to 20% of all clubs with E3H by the end of 2020, but we're now at 25%. Part of the committee's job is to field requests for support for clubs, but there have been no formal requests lately for assistance or resources. The last club to do so was one in Iowa requesting marketing support. As for growth, AVA is now down to 200 organizations: 190 clubs, 10 RDs. Club membership down 9% in 2020, which isn't a bigger decrease than in previous years. The number of states with no AVA clubs is now 6, and 29 states have 2 clubs or fewer. John expressed surprised that the pandemic hadn't accelerated the decline, but he noted the decline has not slowed down, either. John concluded by saying but traditional events in his area were down 57% in 2020, but YREs were off only 2% compared to 2019, so people were walking. Chris Mellen (NE RD) suggested AVA think of a newer model for traditional events, perhaps more like group walks (30-minute start window vice 3 hours).

(6) Fund Development (Nancy Wittenberg, Chair). Most work has been done by the NO, especially by Samanta's efforts on the Big Give, which will again be in September. Another possible effort supporting fund development is the new business model. Sustained giving is increasing. See section III of the CEO report for additional discussion.

(7) Publicity and Marketing (Henry). A strategic effort was the marketing plan. There is not enough money for national marketing, but Henry has worked on getting branding materials (logo, etc.). He hopes to ship a new banner to each club. Finally, the committee has created three new partnerships and are working on elevator speeches.

(8) Membership (Erin). Membership committee put on hold until the new business model is developed and the decision made where membership would fit in the new model.

(9) Training Standards and Evaluation (Sammy). No report

7. Other topics as needed

a. Reminder that the special membership meeting will be Monday, March 15, 8 pm EDT, by Zoom.

b. Chris Mellen expressed concern that an estimated profit of \$200,000 from Convention is too ambitious. Erin Grosso responded that the figure came from a collaboration based on 350 whole convention registrations. Henry added he will revisit the budget prior to March. Also, he reminded the Board the state association meeting is June 30, and he is still expecting to have the Board retreat in San Antonio, possibly in July.

c. John McClellan (SE RD) announced the multi-day weekend in Memphis March 19-21. The notice is on the Facebook page, or those interested can contact the organizer or John for the brochure.

d. A final note, the latest incident report was included materials supplied to the Board, but it was not discussed. The report is at Attachment 14.

8. Next EBM Tuesday, March 16, 10:00 am EDT. Adjourned 1:05 pm EST.

Respectfully submitted,

Cecilia Miner AVA Secretary

### AMERICAN VOLKSSPORT ASSOCIATION

#### OFFICER REPORT FOR THE OFFICE OF PRESIDENT

FOR THE February Electronic Board Meeting

#### FROM: David Bonewitz

This is a summary of the verbal report that was presented at the February 16, 2021 Electronic Board Meeting. I have tried to keep this pretty simple and short. Since the last report:

- 1. Prepared for and conducted monthly EBMS
- 2. Wrote the President's Message for TAW
- 3. Worked with the Governance Committee, our attorney, and this Board in preparation of draft Restated and Amended Bylaws and Restated and Amended Certificate of Formation. Working on the Called Membership Meeting to seek up-or-down vote on these two documents. Working with Tim Miner and the National Office to set up this important meeting. Our goal is to have these documents approved prior to the Madison Convention in order to save valuable time at the convention. This will also allow the membership to submit further amendments to be considered at the Madison Convention. I would also note that typos and minor changes to the text (that does not change the meaning) can be done administratively and do not require an amendment.
- 4. Worked with the Business Model ad hoc Committee under the CEO
- 5. Worked with the CEO and VP to determine AVA's votes in the IVV virtual Congress. Submitted those votes. Of note with IVV:
  - a. AVA was approved by the membership to hold the IVV Olympiad in 2023
  - b. I will be serving on the IVV Disciplinary Board for (I believe) the next 4 years.
  - c. Also, I have been asked to assist in the development of a Strategic Plan for IVV. The original request was made at the IVV Congress in 2018. This request was repeated this year, and I have agreed to assist with the strategic planning in IVV.

#### AMERICAN VOLKSSPORT ASSOCIATION, Inc EXECUTIVE DIRECTOR'S REPORT

February 16, 2021 Virtual Meeting

## I. ADMINISTRATION/OPERATIONS

#### Personnel

Work hours for hourly employees have been increased to 32 hours effective February 8, 2020. The office will remain closed on Fridays until further notices. Exempt employees will continue to work on Fridays. We will be hiring a full time AmeriCorps intern in March. The intern will office at the Rivas Street location and her/his main responsibility will be to engage the local community in our events. Eventually we hope this will develop into to a walking group/club. The cost for the full-time intern is \$7,500 for 10 months.

#### March 15, 2021 Special General Membership Meeting

Notice and meeting information regarding this Special meeting was emailed to all club officers and posted in the January and February Checkpoint. The purpose of this electronic meeting will be to vote on the revised AVA Bylaws and Certificate of Formation (formerly called the Articles of Incorporation). If club officers cannot attend this meeting, they may still vote by downloading the ballot from the AVA website or by calling Samanta to request a ballot. **Ballots must be postmarked by March 24<sup>th</sup> and received by March 31, 2021.** 

#### **Relocation and Open House/Press Conference**

Thanks to support of AVA volunteers and employees, the relocation of the National Office has been completed without any major issues. The lease on the Alamo Street location expires December 2022 and the lease on Rivas Street expires December 2021. The total moving costs were **\$12,795**.

# Because the AVA has been awarded the 2023 IVV Olympiad in San Antonio, Texas, I request approval to extend the current lease on Alamo Street through December 2023.

An open house/press conference will be scheduled during National Walk Week on April 1, 2021. The AVA Board of Directors, local club members, volunteers, business owners, community leaders, and public officials will be invited to attend. The month of April has been targeted for this event due to current COVID guidelines in San Antonio. It is unlikely we will get any national exposure for this event therefore the ideal time would be when more locals can attend.

#### VOP

Thanks to the support of all our AVA participants and Jan Van Vlack, program administrator, the Virtual Online Programs 2021 (VOP) has 269 registrants generating \$10,363 in revenues!

#### National Partnerships

The partnership with *Element3 Health, Inc.* (E3 H) has reached a new level of success with the marketing of all club YRE's on their membership platform. This program kicked off January 1 and according to the most recent report from Natasha Wampach, Vice President of Network, **49 AVA clubs** 

# Attachment 4

1

have already joined the E3 H network and 35 E3 H members have signed up for AVA events! An additional 17 participants had RSVP'd but had to cancel due to COVID related closures. Natasha has been invited to the Board meeting to update everyone and answer any of your questions.

New partnerships are in the works with HOKA Shoes an international shoe company and HGA Fundraising, a fundraising company that specializes in auction items and events. Both companies have expressed interest in support of the Olympiad!

# **Publicity & Marketing Committee**

The Publicity Committee will be working with Tim Miner to support the marketing of National Walk Week and utilization of the \$1,000 grant awarded by Austin Peay State University for promotional/marketing items like t-shirts, water bottles, stickers, and certificates. The Committee will also support the marketing of Convention and the Olympiad. For more info on the accomplishments of the Committee please refer to the Operational Committee Reports.

# 2021 AVA Convention, Madison, WI

In preparation for the March Board meeting, the National Office will continue to monitor the COVID-19 related health situation in Madison, WI, in consultation with Jerry Wilson, the Madison Sports Commission and local health officials. We are starting to see more pro and con comments on Facebook about the convention. Thus far we have 65 attendees registered for convention.

Some convention options the Board and Deputy Directors may want to consider and discuss with clubs prior to the March meeting include:

- 1. Host the Convention in June as scheduled.
- 2. Postponement of the Convention to a later date this year;
- 3. Cancellation of the Convention;
- 4. Hosting of a Virtual Convention and General Membership Meeting sometime this year.

A **State Association meeting** has been scheduled during the 2021 Convention at 12:30 pm in the Monona Terrace convention center. This meeting is open to all AVA State Association Officers and AVA Regional and Deputy Directors. The purpose of this meeting is to solicit input from State Association Officers regarding how the AVA can better support State Associations so they can better support their clubs. Please encourage State Association Officers to attend.

### The following funds have been raised to support the convention:

Up to **\$7,650** in Event Booking Assistance Funds from the Madison Sports Commission; A sponsorship donation of **\$2,250** from DOCUmation to support the President's Reception.

# Special thanks to Jerry Wilson, the convention committee, and AVA Clubs and volunteers!

# AVA Business Model Development

An ad hoc committee met last Fall to explore *new* business model ideas for the AVA. These ideas were prioritized according to the AVA's existing capacity to implement and the amount of potential revenue these initiatives could generate in a short period of time. The top 3 priorities in ranking order are:

- 1. Element3 Health Participant Referral Initiative
- 2. No longer allowing free walkers at AVA events
- 3. An AVA Walk Application

The Element3 Health initiative has already been implemented. Allowing free walkers has been addressed several times yet it continues to surface as a revenue strategy. The development of a walk application has also been discussed in the past but failed to gain any traction. Other ideas included the development of partnerships and sponsorships, two things we are already working on.

Based on the findings of this group, I request the Board of Directors approve the initiation of a process to identify an existing walk application or develop a new walk application for AVA events by 2023.

#### II. FINANCE (Unaudited Report)

The December 2020 Profit Loss statement reflects a net income loss of (\$86,834.19) in comparison to the forecasted (\$105,436.00) loss in the **modified budget** for 2020. Mass Media consulting expenses of \$27,000 and moving expenses of \$7,469 were paid with approved investment funds leaving an operational gap of (\$52,365) which was covered by approved investment funds of \$55,017. The end result is an operational net gain of (\$2,652).

IT expenses were higher due to relocation expenses, payroll benefits were higher due to additional employees on the insurance policy and consulting services were higher due to additional legal costs for bylaws revisions.

Annual revenues were higher than projected in the modified budget by \$11,203.78. This can be attributed primarily to higher revenues in YRE participation fees and fundraising/The Big Give. Sanction fees and Traditional event participation fee revenues were lower than projected.

#### Annual Audit

A 2020 audit was not budgeted primarily because we are not required by our bylaws or any other legal entity to conduct an annual audit at this time. Annual audits cost the organization a minimum of \$10,000. These are funds that can be better utilized for operations during this time of uncertainty.

However, audits are a best practice, and it is not a bad idea to conduct an audit during convention years when the organization has additional revenue and a formal review in years an audit is not conducted. An audit review engagement requires the auditor to conduct analytical procedures and make inquiries to ascertain whether the information contained within the financial statements is correct. A review engagement will cost approximately \$5,200.

For more on year end 2020 refer to Attachment 7 (b)-2-&-3.- Attachments 6 and 7

#### AVA Investments Account = \$450,393.88

#### Total Mass Media Contract = \$81,278

#### **Paycheck Protection Program Loans (PPP)**

The AVA has been awarded a second round of PPP stimulus funds in the amount of **\$50,700**. The loan forgiveness application for the first PPP loan of **\$50,700** has already been submitted.

The AVA also accepted to participate in the TWC Shared Work Program stimulus program which allow employers to "partner" with the Texas Workforce Commission to cover a percentage of employee's lost work hours due to Covid-19.

### III. FUND DEVELOPMENT

A grant application of \$10,000 was submitted to KEEN Footwear/Kids Grant Program to support a youth walking group in San Antonio, Texas. Awards will be announced March 2021.

The AVA's *Sustained Giving Program* raised **\$4,621!** Please encourage friends and family to sign up as a monthly donor! No amount is too small!

Special thanks to Nancy Wittenberg, Susan Medlin, Phyllis Olsen, Bob Hall, Charlotte Phillips, and the AVA National Team led by Samanta Sanchez for all the work they put into the Big Give Annual Donor Campaign! Their hard work paid off!

#### **Recent Accomplishments**

- 1. OSB/PSB Support (Chris Z.)
  - a. Club is provided a checkbox to indicate a PSB is supported for an OSB event.
  - b. When PSB checkbox is checked, legacy ESR "Location" and "Start Point/Driving Directions" fields are displayed (not overridden by OSB boilerplate) in event details page.

q(d)

1

- c. Checkbox for requesting a Stamp (Free) for OSB Only event. Free stamp selection is **not** inherited for renewed events.
- 2. Extra Stamps (Chris Z.)
  - a. Clubs may request extra stamps for any event via the my.ava.org club home page then Sanctions->Stamps: Edit/Req. (Requesting stamps using the Legacy ESR, for example when creating/renewing an event, has been disabled.)
  - b. New interface developed to easily discern status of "First Free Stamp" vs additional requested stamps.
  - c. TE, PSB, and OSB/PSB events: 1 Free Stamp by Default
  - d. OSB Only events: No stamp by default, but may request 1 stamp for free, OSB Only free stamp request not carried over when event renewed for following year.
  - e. First stamp is always free. Second and following stamps are \$5.
  - f. Stamp page provides visibility to the club's stamp shipping address and next expected stamp manufacturing run date. (see help on this page)
  - g. Club Report of extra stamp charges details for a given quarter. (Mike G.)
  - h. Export of stamp charges to Quarterly Participation invoices. (Mike G.)
  - i. Developed python script to track events moved from 2020 to 2021 that received 2020 stamps to assure these events get a free 2021 stamp. NOTICE: Events moved to 2022 from 2021 (after the end of this month) will charged \$5 for a 2022 stamp.
- 3. Club Stamp Status (Chris Z.)
  - a. Provides clubs a view of the stamps produced and requested for each event (new features are yet to be deployed.)
- 4. Improved AVA HQ Stamp Management Interface (Chris Z.)
  - a. Stamp management pages for use by AVA HQ (Hector)
  - b. Includes the following web pages: Stamp Queue, Make Stamps, Stamp Status, Handle status.
  - c. HQ Stamp feature to support HQ stamp requests (for replacement and emergency stamps).
  - d. Added feature to provide a mail-merge compatible CSV file containing club shipping addresses for stamp sheet created (Mike G.)
- 5. Cut and Paste Stamps for Groups (Chris Z.)
  - a. Support for a page of Cut and Paste stamps for use with Group Walks for a particular day.
  - b. Includes ability to put customized text on stamp or an image (like an anniversary) on the stamp images to be placed in the PDF.
- 6. Find a ... Tutorials (Darrell N, Mike G.)
  - a. AVA Trail and Route rating system (Chris Z.)
  - b. *Creating a my.ava.org User Account* (Darrell N.)
  - c. Setting up Club Management Privileges (Mike G.)
  - d. Adding a status message or alert to your event (Chris Z.)

- e. Assembling the new stamps (Chris Z.)
- f. Adding AVA sanction details to your club web site (Chris Z.)
  - i. View YRE/SE/TE Event Details based on Event ID: https://my.ava.org/event-view.php?sn=<event\_ID> Example: <u>https://my.ava.org/event-view.php?sn=116946</u>
  - ii. View YRE/SE Event Details based on Y-Number: https://my.ava.org/event-view.php?y=<Y\_Number> Example: <u>https://my.ava.org/event-view.php?y=2688</u>
  - iii. View a listing of all sanctioned/approved club events based on club#: https://my.ava.org/event-view.php?club=<club#> Example: <u>https://my.ava.org/event-view.php?club=AVA-0419</u>
  - iv. **NOTICE:** Public URLs to fetch event data from the legacy ESR system that begin with the URL, "http://clubs.ava.org/..." are not guaranteed to continue to work, and soon will not work.
- g. Steps for getting a YRE/SE into the OSB System (Mike G.)
- h. **OSB Event Directions PDF Requirements and Recommendations** (Mike G., Darrell N.)
- 7. Find a ... FAQ (Darrell N., Chris Z.)
  - a. FAQ including interface for my.ava.org admins to easily add/edit FAQs. (Chris Z.)
  - b. New FAQs added. (Darrell N.)
- 8. One Page Quarterly Participation (Mike G.)

  - b. Added support for E3H club credit.
  - c. Added "Applied Credit" feature to support use of surplus funds by the club for AVA merchandise or possibly checks sent to clubs.
  - d. Import of ACE-WG participation data from my.ava.org to Legacy ESR.

#### 9. Online Convention / Major Event Registration system (Jeffrey G.)

- a. Now in place for 2021 AVA Convention registration.
- b. A totally in-house solution for web-based, multi-day event registration
- c. Table driven
  - i. Allows the code to be easily re-used for other multi-day events.
  - ii. Allows for "last-minute" changes (within reason).
- d. Integrated with AVA membership database to confirm discounts for AVA associate and lifetime members.
- e. Created a computer-generated CRUD (Create, Read, Update, and Delete) interface to the convention database tables for use by National Office Staff.
- f. Continue to create data management pages to help National Office Staff with convention registration.

#### 10. Online Start Box and my.ava.org Customer Support (CS) (Darrell N.)

- a. For 2021, so far there are 519 OSB or OSB/PSB events (out of 1878 YRE/SEs).
- b. OSB event directions PDFs approved by CS. CS also approves later PDF revisions uploaded by clubs.
- c. The CS role has expanded to answer questions about my.ava.org club features.

#### 11. Access to Legacy ESR only via my.ava.org (Mike G.)

a. Clubs must now have at least one "Owner/Manager" to access my.ava.org and the legacy ESR.

- b. A Club Owner/Manager is a person with a personal my.ava.org account with club privileges. The tutorial, <u>https://my.ava.org/find-a-tutorial.php?club management</u> describes how to add club privileges to a personal account.
- c. Developed Python script to identify clubs with no Owners. Of the 202 active AVA clubs (excludes RD and HQ accounts), 18 still have no Owner.
- d. Added buttons to RD/SA identified accounts to access the Legacy ESR RD/SA Nav pages. **NOTICE:** Direct login to the RD/SA accounts via the Legacy ESR system will soon be disabled.

# 12. Element 3 Club Program Participation (Mike G)

- a. Added AVA HQ management page to track clubs participating in the Element3 referral program.
- b. Management pages includes to add/edit club info and download a CSV file of the program participants.
- c. Created Python script to create CSV (and html) table of all 2021 AVA event data (excluding OSB Only events) for Element3 import. Providing monthly updates of this data to Element3.

# 13. Stamp Production

- a. **During Hector's absence**, event stamps were produced a Stamp shop in Norristown, PA and shipped to AVA HQ in San Antonio, TX (Mike G.)
  - i. Required 2 physical visits to local PA stamp shop. One to discuss stamp requirements and deliver sample stamp image file and one to review produced sample stamps and setup billing.
  - ii. Following stamp production requests were done via email with attached stamp image file(s) and associated pdf(s) of stamp destinations to be sent to AVA HQ.
  - iii. 7 Stamp shipments for a total of 87 stamps (from 9/11/2020 through 10/22/2020)
  - iv. \$7 per stamp (additional costs for expedited production for last minute single stamps)
- b. 2021 YRE/SE stamp delivery delayed due to many reasons including late start on production, delayed shipping, and delayed delivery by USPS.
- c. Next year the creation for stamps will begin the last week of October and stamps will ship the 3rd week of November

# **Current Projects**

- 1. Activate HTTPS on the legacy ESR system (Mike G.)
  - a. Currently users get a "Not Secure" and other, browser dependent, security warnings when accessing the Legacy ESR system.
  - b. Fix requires installation of valid SSL certificates. Hopefully "free" domain certificates will suffice for now.
- 2. Activate HTTPS on ava.org now hosted on Dreamhost (Hector)
  - a. Probably should pay for an Organization Validated SSL certificate for ava.org and cb.ava.org (old ava.org webpages)
- 3. Element 3 Participation Credits (Mike G.)
  - a. A management interface to upload E3H credit data into the my.ava.org db table.
  - b. A new E3H report page developed so clubs view E3H participation/credit details per quarter (like the extra stamps report).

- c. A management interface to allow determination of the count of E3H clients who participated more than once in an AVA sanctioned event. Henry needs this for insurance purposes. E3H has agreed to pay for extra insurance charges related to E3H clients.
- d. Support for exporting club E3H credit totals for a particular quarter for inclusion in the club Quarterly Invoices.
- e. Deploy python script to support URL for Element3 use to download CSV files with event data.

# 4. Quarterly Traditional Event (TE) Participation Billing (Mike G.)

- a. Rather have AVA National Office staff generate/send separate invoices for TE Participation, the total amount due will be included in the Quarterly Invoice for the club when the participation data is entered.
- b. A my.ava.org report will detail the TE participation fees for a given quarter.
- c. TE participation Fees will be included in the invoice's Quickbooks import file.

# 5. Quarterly Event Sanctioning Fee Billing (Mike G.)

- a. Rather have AVA National Office staff generate/send separate invoices for event sanctioning fees, the total amount due will be included in the Quarterly Invoice for the club when the event is RD approved.
- b. A my.ava.org report will detail the event fees for a given quarter.
- c. Event Sanctioning Fees will be included in the invoice's Quickbooks import file.
- 6. Email Notifications (Mike G., Chris Z.)
  - a. Support for RD to sign-up for email notifications of events needing approval, ACE-WG annual approval requests, etc.
  - b. Support for AVA HQ email notification of new YRE/SEs needing Y# assignment.
- 7. **Share page** (Mike G., Jeffrey G.)
  - a. Add button to event-view page to go to a Share Page that would have the following features:
    - i. Place the display event URL (https://my.ava.org/eventview.php?sn=<eventID>) in the system clipboard.
    - ii. Place a paste friendly text version of the event info into the system clipboard.
    - iii. Support the current legacy event view feature.
    - iv. Support a printer friendly event view (something like the legacy event view but better).
    - v. Create a .ics calendar file with the event info.
    - vi. Cause the creation of Google Calendar, Outlook Calendar, etc event based on the event info.
      - 1. Calendar entries for YRE/SEs would not have the start and end date for the event time but instead include this information in the calendar entry description.
      - 2. All entries would include an event-view link.
    - vii. Create a spreadsheet file as now supported by E3H for event import with event info.
    - viii. Place event info in a system clipboard that is suitable to be pasted into the E3H formatted import spreadsheet.
    - ix. Employ the my.ava.org event Location info to create Google directions. (Jeffrey G.)
    - x. Employ the my.ava.org event location info to create a google map location pin (Jeffrey G. prototype: <u>http://my.ava.org/mcg/mapLocation.html</u>)

- 1. Club's Location page should include a "Location Test" button so clubs can confirm at least Google displays the desired location correctly.
- xi. Create a Facebook share entry based on event info.
- 8. Option for OSB participants to select "cut and paste" stamps pdfs instead of stamped insert cards. (Chris Z.)
- 9. Improved map-based event search with filtering on, for example, Special **Programs** (Chris Z.)
- 10. Move AVA Club info and web interfaces from legacy ESR to my.ava.org (Chris Z., Mike G.)
- 11. Access legacy ESR features from club my.ava.org account (Chris Z, Mike G.)
  - a. Add links to continue use of legacy ESR for event creation, editing, renewal, participation data entry, etc.
- 12. Improve management interface for One Page Quarterly Participation my.ava.org data importation. (Mike G.)
  - a. More improvements needed to automate this.
- 13. Maps and Directions creation and management (Chris Z.)
  - a. Provide a utility/app to help clubs create and manage high quality maps and directions for their events
- 14. Basic Club management (Chris Z.)
  - Provide a utility/app to help club officers manage a club including budgeting and financial reports that uses event sanctioning and event participation reported to the AVA.

### **Other Information of Interest**

- 1. Stamp Manufacturing Schedule
  - a. The stamps are cut on sheets of rubber with as many as 72 stamps on the sheet. AVAHQ (Hector) will use the stamp manufacturing software to queue stamps onto sheets close to when they are needed. Typically, this will be on the 2nd Monday, for stamps that will ship a couple of days later. Stamps should arrive by the 4th Monday. (This allows for 3-4 days of production and shipping preparations plus 10 days in transit to the destination for delivery to be completed.)
  - b. For a traditional event according to AVA Policy, the club should submit an event 3 months before the event start date. Once a club submits an event, the clubs may edit the event stamp's text, even before RD approval, until the stamp is produced. RDs are permitted to approve an event that is 2 months or more before the event start date.
  - c. To determine worst case delivery time for a Traditional Event stamp, assume that an event is RD-approved exactly 2 months prior to event start date. The stamp for this event would be queued for production on the next second Monday which could be (worst case) a month away from the event's starting date. So, worst case, the stamp is produced 4 weeks prior to the event start date and delivered to the club about 14 days prior the event's start date. Traditional event stamps not arriving 7 days prior to the event should be declared lost.
  - d. NOTE: It is not possible to change the text on the replacement stamps. Do not ask. As noted above the text for a stamp can be edited until it is produced. A club who

submits a new event well before 60-day deadline will have plenty of time to edit the event's stamp

e. Making individual stamps is extremely time-consuming. It takes almost as much time for staff to make one as it does to make 40. The laser cutter will run longer for 40, but the staff member can be doing something else while the sheet is cut. The laser setup and management time are the same.
