South Central Region

Tom Alyea**Kansas City, Mo**

Tom Alyea as President of the Clay-Platte Trackers has provided excellent leadership to his club. He created a new state Special Program to walk all 115 Missouri counties. This has caused an increase in walking opportunities for the whole region. A program such as this spurs new interest and participation, and is most appreciated by the RD and the SC Region.

Teresa Arnold**Tulsa, OK**

Theresa has provided strong leadership as President of her club five times. In addition to her club duties as president, she has also served as acting Trailmaster and newsletter editor. She has served as the Nominating Chair for the South-Central Region five times. She is fully employed with new grandchildren and still finds time to be of valuable assistance to her club and Region. Her time and effort is most appreciated by the RD.

Doug Evitt**Bella Vista, AR**

Doug Evitt has volunteered many hours to assist the SCRD with his special skill and ability at building brochures for two South Central Regional Roundups. In addition, he served as President of the Ozark Hill Hiker Club after he helped start it. Because of his vast experience in volkssporting in the Southwest region, he was a good teacher and mentor to the fledgling club members when needed. This contribution to volkssporting brought a club back to the state of Arkansas after a long absence. This was most appreciated by the Region and the SCRD.

Joe Fountain**Oklahoma City, OK**

Joe Fountain has been President of the Wandergruppe Walking Club for ten years. He has tried to entice new walkers by sponsoring an event with a local Weight Watchers group. Just recently his health has failed but his strong feeling for volkssporting events has not flagged and his effort though done now with more difficulty is most appreciated by his club and the SCRD. Hope you will be back walking with us again soon, Joe.

Lawrence Lehman**Branson, MO**

Larry Lehman has provided walking opportunities for the membership since 1988 through his leadership of the Global Adventurers Walking Club. When he and his wife Josie moved from Renton, Washington to Branson, MO, he brought his club with him and has made a great contribution to the Region in an area that did not have a club. In addition, he is currently serving as our National Treasurer to the American Volkssport Association. His care and concern for our organization in this particular area has been most appreciated by the South Central Regional Director.

Victor McAllister**Rolla, MO**

Victor moved to the area within the SC Region and determined that there needed to be AVA activity in the city of Rolla, Missouri. He went out of his way to find an AVA club to help get AVA activity in his adopted city of Rolla. Shortly thereafter not only was an AVA walk available but soon an AVA club was started with his assistance to the current president. A club now exists where none did before and is providing a great service to the organization. His first steps made this possible. Thanks, Victor.

Diana Mighells**Joplin, MO**

Diana is an avid volkssporter and very faithful to her Dogwood Trailblazer and Tulsa Walking Club. She saw a need several years back when club newsletters were put on line that not everyone has computer access. Diana decided that she would make certain that those without computer access in the Dogwood Trailblazers club would receive the newsletter in hard copy, she assumes the cost for the postage and material, in addition to the effort put forth to provide this service. A very unselfish act that is noteworthy and deserving of the commendation.

Ken Miles**Tulsa, OK**

Ken has maintained a club in the SC region for 20 Years. His club provides the Traditional Swim Events throughout the SC Region. Ken has served as Regional Director for one term. Most recently served on the Strategic Planning Committee providing guidance and experience as an attorney to the specific areas of the Governance section. Ken has never been shy about stepping up to fill a need within the organization. His resoluteness and strong sense of purpose are appreciated by the RD.

George Snyder**Lawton, OK**

George Snyder was instrumental in founding the Holy Family Walkers Club in 1985, which is now known as the Lawton Walkers Club. He served as the president of the club for 29 of the 30 years the club has been established. George has always been a good steward in the position of President, assuring the SC Region of excellent Traditional Events in addition to the many interesting and sometimes historical YREs found in that part of Oklahoma. His efforts have been most appreciated by the Region and SCRD.

Sharon Snyder**Lawton, OK**

Sharon Snyder has always been a very avid volkssporter and has assisted her husband George in the administration of the club. She has a keen understanding of the Special Programs offered to our AVA walkers across the country and has guided her club in the sponsorship of ten such programs. They are a part of the fun our AVA walkers enjoy. She has been active in other clubs in the region and served as a State President of Missouri at one time. She does it all with a "twinkle" in her eye.
