Hello all, my name is ____(name)____. I have been walking with the AVA for ____(time)___. My favorite part of walking with this organization is...

Example: I have been able to experience more mornings outside in my hometown because of my walking group. I rise and I'm out with the sun! This always makes me feel like I can enjoy the day. And when my pet and my spouse join me, it's even better! Donating to the AVA supports many people like me, who are having fun experiences while working towards their mental and physical health. You are supporting the fun, fitness, and friendships of communities of walkers across the U.S. Thank you for your support and if you're ready, come walk with us!
