

AVA TRADITIONAL COMMUNITY EVENTS (ACE-T)

ACE-T events are comparable to the AVA traditional that clubs currently host with the exception that IVV specific guidelines do not apply. Hopefully this will allow clubs more flexibility to customize community events in their regions where an IVV event is not possible due to constraints of IVV guidelines thus drawing more participation. An example of this type of event might be a traditional event whereby a club partners with a local nonprofit organization to host a walk that is less than 10 kilometers and books are not stamped.

- A. An ACE-T event is sanctioned as an AVA Traditional Event where, in addition, the sanctioning club requests the Regional Director to approve the event in question as an ACE-T event.
- B. The event details publicly displayed for an ACE-T event by the AVA ESR system shall include a distinct indication that the event is only AVA sanctioned and no IVV credit or stamp will be provided for event participation.
- C. The per event sanctioning fees for an ACE-T event are the same as for an AVA Traditional Event.
