

## **PURPOSE**

An AVA Community Event (ACE) gives clubs flexibility to create events that are not burdened by IVV guidelines with the intent of providing more community outreach. An ACE is sanctioned by the AVA, but not by the IVV, to be responsive to local needs. Clubs are encouraged to fund ACE expenses via donations and/or sponsorships. The activity for an ACE may be any of the currently supported activities for IVV sponsored events including walking, biking, swimming, etc.
