

**EPHRATA - ending for A-Z Walking the USA for Mary Carson and Sandy Crist on February 23, 2012. They are pictured in front of the Ephrata Visitors Center which is housed in an old train station. Together with 51 Capitals and 50 States which they completed last fall, the two have had quite a journey in this great country of ours. Their newest venture is to complete 10 walks in Pennsylvania during 2012. Their motto is "Keeping Walking".**
