

11th IVV OLYMPIAD in ANTALYA

19th – 23rd October, 2011

The 11th Olympiad in Antalya takes place in about ten months. With this «IVV NEWS» we want to inform our member countries and single member clubs that all information about the organization and the program of the Olympiad can be found on our website at «Olympiad 2011 Antalya». We ask you to forward this information to your clubs and members.

The Olympiad in Antalya offers a great variety of sports events and cultural ceremonies. The participants have the opportunity to experience the natural beauty of the «Turkish Riviera» and to enjoy the Turkish hospitality.

Antalya is a beautiful town with more than 1 million residents, it is world-famous for its old harbour and historic quarter being recognised as a UNESCO World Heritage Site. The Olympic Village is situated close to the sea surrounded by a wonderful park, and near the city centre and the historic harbour.

Registration can be carried out now, or at the Olympic Village before the beginning of the Olympiad. Please find the registration forms on the IVV Website as well.
