

**AMERICAN VOLKSSPORT ASSOCIATION
EXECUTIVE COUNCIL AGENDA ITEM**

Introduction of Business:

I move that:

Paragraph 2.03.II.A.2, of the Policy Manual, be amended to delete "Except as noted in Policy 4.11, After Action Reporting," and add at the end of the paragraph "Regional Directors will be given ten days to resolve club deficiencies, or identify extenuating circumstances, before a club is placed in not in good standing status."

Summary of Proposed Action:

This change will provide Regional Directors an opportunity to resolve club deficiencies or identify extenuating circumstances before a club is labeled not in good standing.

Involving Regional Directors in this manner will help clubs in difficulty and, hopefully, improve the image of AVA leadership and Administration.
