Step 2 Click on **FUNDRAISE** & enter your information to start creating your [Peer-to-Peer page](#). After you press submit, [GiveGab](#) will send you an email.

Step 3 Find the email in your inbox & click on **Get Started!** You will be taken back to [GiveGab](#) and asked to log in using your email and the password you created.

Step 4 After you log in, check out all that your [Peer-to-Peer toolkit](#) offers, share your story & a fun/funny photo, put a video link in there to show your experience of AVA. You would not be reading this if AVA didn't add something to your life.

Step 5 After adding the information you want on your [Peer-to-Peer](#) page, you can share and email out the link to your page to family, friends, and even the people you only see on Facebook. Your [Peer-to-Peer toolkit](#) also allows you the opportunity to thank those who donate to your page!

Here is a [Tell Your Story](#) template for your [Peer-to-Peer page](#); some inspiration 😊:

Hello all, my name is ____(*name*)____. I have been walking with the AVA for ____(*time*)____. My favorite part of walking with this organization is...

Example: I have been able to experience more mornings outside in my hometown because of my walking group. I rise and I'm out with the sun! This always makes me feel like I can enjoy the day. And when my pet and my spouse join me, it's even better! Donating to the AVA supports many people like me, who are having fun experiences while working towards their mental and physical health. You are supporting the fun, fitness, and friendships of communities of walkers across the U.S. Thank you for your support and if you're ready, come walk with us!
