AVA CLUB INSURANCE COVERAGE

The AVA carries two types of insurance coverage for its clubs, Participant General Liability and Excess Accident Medical. The Participant General Liability provides coverage for claims made against the AVA and/or any of its clubs. It helps cover defense costs and settlements if a claim is filed. The Excess Accident Medical coverage applies to AVA national and club members only and pays up to \$9,900, after the \$100.00 deductible, for medical expenses not covered by the participant's insurance after all other medical insurance coverages have been exhausted.

Attached is a document entitled Overview of AVA's Insurance. This document was prepared to help clubs better understand our coverage. Should you have questions, email henry@ava.org. Click her to view "[Overview of AVA's Insurance](#)" document.

IT COMMITTEE - MIKE GREEN, CHAIR

YRE/SE RENEWALS FOR 2023

Clubs will be permitted to renew their 2022 YRE/SEs for 2023 starting July 15th.

There will be a general announcement sent to all club POCs on or about July 15th with more information.

All renewals are done via club's account on my.ava.org by clicking on "Sanctions" tab then the "Edit/New" tab to display the club "Sanctions in buffer" page. On this page, events yet to be renewed are listed in the "EVENT RENEWALS" section.

When renewing a YRE/SE, the club should carefully review the event information by clicking on each of the blue "Sanction Tiles".

The my.ava.org system has a number of new features (as compared to the Legacy ESR) that the clubs are encouraged to use to improve the quality of their event submission. You will not be able to renew/submit an event for RD approval that is missing required event information (as discussed in the article "The New ESR - Event Information" found in the [April 2022 Checkpoint](#) PG. 7).

PUBLISH, PUBLISH, PUBLISH

A number of clubs have a large number of their 2022 YREs events actively being edited and ready to be published. It appears that these clubs don't realize that the events need to be "Published" to make the changes publicly viewable.

To publish an edited event starting from the my.ava.org club homepage, click on the Sanctions tab, then the Edit/New tab then the Review button for each event. On the event's Review page click on the "Publish" button.

Please do this for each event.

Note, when renewals are enabled only Published event data will be copied from 2022 to the 2023 event.

MY.AVA.ORG - CHRIS ZEGELIN, DEVELOPER

THE NEW ESR FEATURE ON MY.AVA.ORG

I have added a new feature to the ESR edit on my.ava.org. Special fees are part of AVA policy where a club can require a fee to participate in an event over and above the fee for event credit. These fees typically support the cost of a venue for a festival or convention, but might also support permit costs, and food. This feature addition to the sanction provides a standard way to inform participants so there are no surprises.

The feature is item #7 on the "basics" tile when editing or creating a sanction. Standard text will be added to all public sanction views if a special fee item is selected. This will also show up in the generic "brochure".

There is no practical way for the club to collect these fees for a Year Round or Seasonal event. They are generally limited to traditional events. However, all events can have fees required to participate, such as a park entrance fee or a required parking fee. This feature addition allows you to clearly inform your participants of these potential costs.

If the fee details are known, such as actual cost, and are not likely to change, then put that information in the "Important Event Information" field (Description tile, item #3).
